

KNOW AN OUTSTANDING YOUNG LEADER IN YOUR COMMUNITY?

WE WANT TO KNOW THEM, TOO!
NOMINATE THEM TODAY!

HOBY's STATE LEADERSHIP SEMINAR

HOBY's flagship program allows high school sophomores to realize their leadership talents and apply them in becoming effective, ethical leaders in their home, school, workplace, and community. Students attend three or four-day seminars and participate in hands-on leadership activities, meet leaders in their state, and explore their own personal leadership skills while learning how to make a positive impact in their community. The seminar curriculum is based

on the Social Change Model of Leadership and develops leadership from three perspectives: Personal Leadership, Group Leadership, and Leadership for Society.

HOBY's COMMUNITY NOMINATION

Community Nomination is an outreach program that allows people to register through HOBY's website instead of being nominated by a student's school. Every year, the HOBY Registration Team hears from countless students, parents, and HOBY partner organizations who want to register students

for the Seminar but encounter obstacles. For instance, a high school may not participate in HOBY or a new school counselor is unaware of/unwilling to participate in the program. This also ensures as many students as possible are able to have the life-changing HOBY experience.

HOBY seeks students who are:

Outstanding communicators, critical thinkers, creative problem solvers, strong decision makers, sensitive to others, have a charismatic personality, have the courage to speak out and challenge, have an interest in community service.

Opens January 2020

- WHEN*: 3 - 4 days in April - June
- WHERE*: A University Near You!
- SEMINAR FEE*: \$395

* Seminar dates/locations/cost can be found on HOBY.org. (Includes: Food, lodging & supplies for the weekend)

HOW TO NOMINATE A STUDENT

1. Visit hoby.org
2. When selecting a nominee, consider their unique qualities and who they are as a student leader in their community.
3. Once you select a student to nominate, fill out general information about yourself (name, job title, phone, email), and a brief explanation of why you believe the student is a good fit to attend the HOBY State Leadership Seminar in the Community Nomination Form.
4. Students will be notified of their nomination and the remaining steps to complete their nomination. A nomination is not a guarantee of program participation.
5. Encourage the nominee to complete their application form. If you are able, please consider sponsoring your nominee! The gift of leadership is one of the best investments we can make in our future leaders.
